P.O. Box 608 Limbe, Cameroon

## AIMS-CAMEROON IS HIRING

### JOB PROFILE: PLUMBER

The African Institute for Mathematical Sciences seeks to hire an experienced **Plumber** who will work in close collaboration with her Facility and Logistics team, and will be responsible for troubleshooting, installations, repairs, and maintenance of the institution's plumbing mechanisms, while providing top-notch customer service.

### RESPONSIBILITIES:

- Carryout regular installation, repair, and maintenance of pipes, valves, fittings, drainage systems, and other plumbing appliances
- Maintain water supply systems
- Respond to, diagnose, and resolve plumbing emergencies in a timely manner
- Perform routine inspections of plumbing and drainage systems
- Carryout light construction, carpentry, painting, plastering, flooring, ceiling, and electrical works as required
- Ensure the acquisition of high, durable, and cost effective materials and equipment for plumbing works
- Monthly recording of all plumbing activities carried out at the AIMS-Cameroon premises with accurate description of the work performed, time spent working, and materials used
- Maintain high level of personal awareness of all hazards and safe systems of work in use at AIMS-Cameroon
- Ensure availability at all times, when called to intervene in plumbing emergency situations
- Carryout other plumbing duties that may be required by AIMS-Cameroon
